CHAIRMANS REPORT

QUIZ NIGHT

Thank you to all the 109 members, family and friends who participated in our Quiz Night. The night was a major success being one of the bigger revenue raising events we have had for many a years and we will be looking at this as an annual fixture on our social calendar. We conducted a “lessons learnt” exercise after the event and will aim next year to reduce the noise and to create even more participation events on the night.

ANNUAL DINNER

Just 2 weeks to go to our last big celebration of the season. It is the opportunity to reflect, acknowledge and have some fun with friendship.

Please book a ticket and come along for a night out and to celebrate our Club Champ Finalists and Winners.

AGM

Nominations are in and it looks like we have most of the current Committee Members putting their hand up for the upcoming season.

This is very significant for me and the Club as we have started many projects and we are all thinking ahead now on how the club can be better, so having a solid base of committed members really makes the heavy lifting easier and will only improve the Clubs profile and member experience.

Can you help us? We still have x2 “non committee” vacancies on some vital roles for the club and we encourage you to see if you can think about joining the committee. These are ...

Social Coordinator
Sponsorship Coordinator

Both of these roles have the full support of our Committee to help you and these roles are very important financially for the club to be successful.

If you are considering putting your hand up for these positions - please feel free to chat with any Committee Member to gain insights on the roles prior to the AGM.

CAPTAINS REPORT

SOCIAL TENNIS

With the summer grass season slowly coming to an end, we are still getting good numbers to social tennis on the weekends and Tuesdays.

ROSTER

The June Roster has been done, so please check to see if you're on it. If you can't do your roster please make arrangements to swap.

GRASS COURTS CLOSURE

The grass courts will be closed at some time in July, when the groundskeeper makes the call.

FUNDRAISER SUNDAY 18TH JUNE

On Sunday the 18th of June the club will be running a fundraising day for prostate cancer. Details of the event will be given closer to the date.

WINTER PENNANTS

Winter pennant's has gotten off to a wet start for some teams.

We have 2 men's Saturday teams, 1 ladies midweek team, and a Tuesday women's twilight team. We wish them good luck.

THANK YOU

It's great to see that nominations for committee positions is almost filled up.

As I'll be away for around 3 months on and off between August and February, I was hoping that someone would put their hand up for the captains job. Grant Nockolds has put his hand up to be Club Captain and I hope to have the opportunity to stay on in a Vice Captains role.

And thanks to everyone for the support you have given me.

CLUB CAPTAIN

FACILITIES REPORT

CLUBROOMS UPGRADE

Most items are now completed, including reconnection of the drinking water fountains to the grass courts. Work will shortly commence to help contain balls from the hitup wall going onto the road, and to rehang the Honour Boards in the hall.

NEW PATIO

The City of Stirling is progressing plans to extend the depth of the patio by about 1.5 metres, with a 2 tier flat roof (3 sections, with the middle section raised). The Committee is discussing with the City the exact design of the patio, with the intention to have it enclosed.
