CHAIRMANS REPORT

What a big few weeks we have just had!

A very successful Clubhouse Launch with the Mayor and The City of Stirling so many thanks to all involved in helping getting us to the finish line. There are still many things to complete but we are up and running and with the Mayor publicly announcing next winter the enclosing of the patio area we are certainly very lucky to be the custodians of our new facilities.

The new club brand looks fantastic and we are loving seeing all the social and pennant players out in blue and it is a pleasure to be able to enjoy all our outdoor furniture. To keep everything looking flash, let's all make an effort to use the racks and change rooms to store our bags and kit rather than leaving items on the tables.

Our Public Open Day was by in large successful, and we are having a lot of new members joining and we will continue to push this new membership drive to increase the membership at the club as that is the Committee's major focus for the next couple of months. As a result, you'll see a few new faces around the courts so please introduce yourself and help our new members settle in.

Please tell your family and friends to come down and take advantage of our special offer for Full Adults Memberships. Just imagine how amazing our club would be if each member could encourage just 1 person to join our club!

The next big event is our Club Social on Friday the 18th November so please all RSVP and come enjoy a great night to meet new members, share food, drinks, music and fun with old friends.

CAPTAINS REPORT

Welcome all to a new season of tennis at Scarborough TC. With our new clubhouse just opened and the courts looking as good as we've ever seen them this promises to be a great season for the club and its members.

We are looking forward to seeing a strong contingent of social players enjoying the facilities and the official start times for social are Tuesday from 9:30am and Saturday and Sunday from 1:30pm.

The duty roster is out and will be issued 3-monthly this year, so if you're not on this one, don't fret, your turn may still come. Please if you can't do your duty, then arrange for a swap with someone who can.

We have nine adult pennant teams this season, 7 grass and 2 hard. We have attached the next few weeks home & away games for you, so you can plan to come down and support our teams.

Gary Jones & Captain's Team

CLUB SOCIAL FRIDAY 18TH NOVEMBER ITALIAN NIGHT - RSVP

Our first real celebration to usher the new clubhouse and facilities in and have our first big social event for the season will be a sumptuous Italian Night commencing from 6pm with ticket prices being \$40 per person.

RSVP is mandatory – Please scan the QR to go to our online booking platform to Register for the event and you can either pay via credit card when registering or you can register and then on the night pay for credit or cash.

There are posters up at the club – just scan the QR code with your phone or you can click on our link in our Facebook page or you can click the Humanitix button here below to register and pay.

ENTRY TO THE KITCHEN VIA THE PATIO BAR DOOR

We have deemed this an acceptable passageway from the door at the outside bar for members to get to the kitchen and the fridges. This activity most often normally only occurs when pennant players store and prepare food for opposing teams or when designated members are preparing morning or afternoon tea. We are trialing this activity for the near future and we ask if you don't have a legitimate reason to go to the kitchen then don't! Please also do not use it as a passageway to the hardcourts or exiting the club!

LED HARDCOURT LIGHTING - 1ST WEEK OF NOVEMBER

We have had a little delay in shipping and we are now looking at the first week of November for the new LED lights to be installed on the hardcourts.

This is a massive game changer for Ricks coaching, general public and member usage, as we will finally be able to see the ball playing night tennis and it should encourage more night time court hire.

RSA CERTIFICATES WE NEED YOU!

We are looking to increase the RSA holders here at the club to assist in bar duties. You don't have to be a Committee member to do this – we need general members to step up and help.

The club will be running a workshop to make the online course very easy and the club also pays for the course.

If you already have a current RSA then just present this to us and welcome onboard.

Please send the committee an email if you are interested – we currently have 5 ready for the course at the club but ideally we would like to get our numbers to 10.

NEW CLUB SHIRTS

Many thanks to all the members who have purchased a shirt for \$40 – we have plenty in stock so come down and see the selection available and payment as usual is via square at the bar. Let's get as many general members wearing our club colours.
