8 Rating (UTR) Playing Order

8.1 Singles

- Players must play singles rubbers in Singles UTR order, to one digit after the decimal point (e.g., 6.29 plays as 6.2), as displayed on *Match Centre* scorecard for that match. The exception to this rule is 13/U Yellow Ball, where players are ranked on the whole number only - drop the decimal (e.g. 1, 2).
- Base players without a UTR must play in club nominated order (based on strength order) until they receive a UTR.
- Team Singles Playing Order must be exchanged in writing (e.g., SMS, paper note, via *Match Centre*) prior to the commencement of play.
- Failure to play in the approved Rating Playing Order will result in forfeiture of ladder points for that rubber and any subsequent rubbers which have been played out of order. e.g. If the fourth rated singles player played incorrectly at # 2, players playing in positions 2, 3 and 4 would forfeit those rubbers.

8.2 Doubles

- The player on each team with the highest Doubles UTR, to one decimal point, as recorded on *Match Centre* Scorecard for that match, must play in the # 1 Doubles rubber. The exception to this rule is 13/U Yellow Ball, where players are ranked on the whole number only - drop the decimal (e.g. 1, 2).
- The player with the highest Doubles UTR may play doubles with any other team player.
- Base players without a UTR Rating must play in club nominated Doubles UTR until they receive a projected Doubles UTR.
- In competitions with more than one doubles round, players may not play with the same doubles partner more than once.
- Players in three player competitions cannot play with the same partner more than once in any fixture.
- Doubles pairs should be listed separately by the captains' and names added to the match scorecard immediately prior to commencement of the last singles match (this is to allow at least one doubles match to commence immediately after the rest time for players between singles and doubles).
- Should any player after their singles matches and before commencement of their listed doubles be deemed unable to play doubles due to injury or illness, both teams have the option to amend their doubles pairings.
- Once a doubles rubber has commenced, a player cannot be substituted in that rubber if a player becomes ill or is injured.

8.3 General Playing Order Conditions and Team Member Changes

- If a player sits out in singles or doubles, the next rated player moves up or down so the Rating Player Order is maintained. For three player teams, only singles ratings shall determine team playing order.

9 Reserves

- 9.1 Reserves may be changed to Base players (or Base players added) to teams, upon application to TWLO during the home and away season.
- 9.2 Any team may play a Reserve with a UTR Rating equivalent to or weaker than the Base player they are replacing. This applies to Singles and/or Doubles Ratings in Singles/Doubles competitions and Doubles Rating in Doubles Only competitions. Any breach of this rule may result in forfeiting of ladder points.
- 9.3 Except for finals, the top division in any competition is exempt from this rating restriction.
- 9.4 A Base or Reserve player in one team of a division cannot be a reserve for another team in the same division. e.g. This applies to clubs with two teams in the same division of a competition. The exception to this is Rule 5.7.

- 10.6 Play is to be continuous. A maximum of fifteen minutes rest time between singles and doubles rubbers or doubles rubbers may be taken.

11 Match Scoring and Entering Results

- 11.1 All rubbers within each match are scored in accordance with the ITF Rules.
- 11.2 The scoring formats for each competition are set out in Appendix A.

- 11.4 The away team shall be responsible for the online confirmation or dispute of results no later than forty-eight hours from the conclusion of the match.
- 11.5 TWLO reserves the right to amend any scorecards/errors that impact the overall result of any match outside of these deadlines.

12 Player Injury

- 12.1 If a player is injured/ill and forced to retire from a rubber, the retiring player may not return to participate in any other rubber (including doubles) in that match.
- 12.2 If a team is unable to field a doubles pair due to a player retiring, this rubber will be forfeited, and all ladder points associated will be awarded to the non-retiring pair.
- 12.3 Should any player after their singles matches and before commencement of their listed doubles be deemed unable to play doubles due to injury or illness, both teams have the option to amend their doubles pairings.
- 12.4 Once a doubles rubber has commenced, a player **cannot** be substituted in that rubber if a player becomes ill or is injured.

- 13.5 All State League teams must be present on site ready to play unless TWLO has cancelled the State League fixture.
- 13.6 No match can commence later than ninety minutes after the scheduled start time, and in such circumstances, the match will be deemed a draw.
- 13.7 If a match cannot be completed, ladder points for completed rubbers will be allocated and the “win points” shared, unless a team has won enough rubbers, sets and games to claim a match win. Bonus points for uncompleted rubbers shall be shared.
- 13.8 Should any match be suspended for one continuous period of ninety minutes, no further play for that match should occur. Refer to 13.7 regarding points allocation.

- 14.2 Any player not in attendance at the scheduled commencement time of either their singles or doubles rubber shall have his/her first set defaulted unless otherwise determined by the Referee (State League) at his/her absolute discretion or in the absence of a Referee, agreed by the team captains. If after twenty minutes of the scheduled commencing time or when a court becomes available for the match, if later, and the player is still not in attendance the remaining sets of that rubber will be defaulted. The remaining rubbers of the match must be played and shall be commenced as soon as practicable.

Accordingly, the teams must have the number of players ready to commence at the start of the match as though all courts will be available unless otherwise notified and agreed by the team captains. E.g. Saturday afternoon - assume 4 courts available unless otherwise advised.
- 14.5 Should a team indicate that a player will be playing in later rubbers, but that player fails to present on site and play, that player will be deemed a NO SHOW. Any breach will result in forfeit of the ladder points for the sets or rubbers where players have subsequently played out of order.

15 Team Forfeits

- 15.1 Any team forfeiting a fixture shall, where possible, contact the opposing team captain before the scheduled day of play.
- 15.2 The team receiving the forfeit shall be awarded the win points and all the bonus points, and all rubbers, sets and games. The forfeited team shall receive zero points.

- 17.3 Any permanent change to another venue and/or surface must be notified five days in advance and approved by TWLO. TWLO shall give two days' written notice to all other teams in that Division.

- 17.5 Should rain, bad light or other event make the nominated court surface unavailable, teams by mutual consent may agree to complete rubbers on alternate courts of any surface. However, if mutual consent cannot be agreed, the unfinished rubbers shall be abandoned. When a referee is appointed for the fixture, the referee will adjudicate.
- 17.6 The club's appointed grounds official or match supervisor shall adjudicate on the fitness of courts for play, except where there is a referee, who shall adjudicate.

If no club official is available, the home team captain of the designated home team shall adjudicate, and their decision is final.

Home teams must advise visiting teams of any lighting conditions prior to play. By mutual agreement with away team, night fixtures may commence earlier than the advertised start time. APPENDIX B:
State League Special Regulations

Tennis League Rules and Regulations apply equally to both Adult and Junior State League competitions. Listed below are regulations that apply specifically to State League teams or are repeated for emphasis.

1. Any club may nominate an Adult or Junior State League team addressing the criteria set by TWLO by the notified closing date. TWLO will nominate the successful teams and number of teams in each competition. Both successful and unsuccessful clubs will be advised by TWLO at least one week before other summer tennis league nominations close, to assist in planning and submission other club team nominations.
2. Clubs shall list six players on their Team Nomination form.
3. **Finals Eligibility:** For a season of ten home and away matches, Adult and Junior State League players must have played in four or more matches to be eligible to play in a qualifying final, semi-final or final. See Rule 20.3 for extenuating circumstances.
4. Adult State League playing order shall be as per the Team Playing Order (TPO).
5. The referee shall have the discretion to continue play after the advertised sunset time, if in their opinion, light is still reasonable and a result is possible, in a reasonable time.
6. During qualifying finals, semi-finals and finals, the referee shall have the discretion to continue play after the advertised sunset time, including a different playing surface if, in their opinion, a result is possible, in reasonable time.
7. TWLO shall notify both clubs at least 24 hours prior to a fixture date if a referee will not be available for that match. The home team must provide a match supervisor to carry out the “referees” duties.
8. In cases of possible extreme weather conditions, all State League teams must be present on site ready to play unless TWLO has advised all clubs that fixture has been cancelled.
9. Players cannot play in two different teams (or clubs) within the same competition in the same round. E.g. A player cannot play State League for one club on a Friday and Division 1 for another club or same club team on the Saturday.
10. An Adult State League match between two clubs may be played on Friday, Saturday, or Sunday of that fixtured round. The home team shall decide the playing day and court surface prior to official release of all season fixtures.
11. Start times, except for finals shall be;
 - Friday – 6 pm. Four courts are mandatory.
 - Saturday & Sunday - 1 pm.
12. By mutual agreement and with the permission of TWLO, two State League teams may agree to play a match on another weekend for which the round was scheduled, but the match must take place within two weeks of the original scheduled round fixture date.
13. State League Teams may have marketable team names, and player names may be printed on the back of team shirts. If there is a corporate Tennis League sponsor, TWLO may direct State League teams to display that sponsor’s logo on their team uniform.
14. At State League matches where a referee is in attendance, player behaviour code violations shall attract team ladder penalty points/s for the team in addition to other penalties. Refer to Appendix D.
15. Clubs must submit to TWLO, by Thursday 9am of the scheduled fixture, the names of the # 1 and # 2 singles players.

Team Playing Order (TPO)

Singles

1. State League Clubs shall submit to TWLO their TPO and this shall apply for singles and doubles unless a different TPO is submitted for doubles.
 - The lists are subject to approval by TWLO and, when confirmed, will become the club's approved team playing order.
 - The TPO list(s) shall contain at least 6 players.
 - The TPO shall be based on current playing strength order, taking into consideration UTR reliability, as determined by the club.
2. TPO listings shall be submitted to TWLO;
 - by 2.00pm seven days before the first fixture date, and then
 - by 2.00pm five days before the commencement of Round 6 fixtures.
 - The second TPO will apply to qualifying finals, semi-finals, and finals, ***with only qualified players eligible to play.***
3. Teams shall play in the order as per approved TPO subject to the following:
 - Where a player is unavailable the next player listed below moves up into that position.
 - For singles only, players may be moved one position up or down in the TPO for the fixture.
4. For any match that a club needs to play a player not listed on their current TPO, that player must play in UTR order as per Rule 8.1. (TWLO or the other club **do not** need to be notified.)
5. Failure to play in the submitted TPO will result in the forfeiture of ladder points for that rubber and any subsequent rubbers which have been played out of order. A club fine will also apply. For example, if the fourth listed singles player played incorrectly at # 2, then the players playing in positions 2, 3 and 4 would forfeit ladder points for all sets and games in those rubbers.

Doubles

1. The highest listed players in the doubles TPO shall oppose each other in the # 1 rubber.
2. Pairs are to be listed separately by the captains and names added to the match scorecard just prior to the completion of a singles rubber that will make a court available to commence a doubles rubber. This is to allow at least one doubles match to commence immediately after the rest time between singles and doubles.

Clarification (Please refer to Appendix B Item 15 and Singles Item 3)

- Once teams have chosen their four singles players for a fixture, those teams may swap their # 1 and # 2 players only up to Thursday 9am.
- After Thursday 9am, the named # 1 and # 2 players cannot swap positions. Should a team wish to swap # 2 and # 3 players, this must also be done before Thursday 9am. Teams may choose to swap # 3 and # 4 players up until players names are listed on the scorecard on the day of competition.
